

Burrville Elementary School

FEBRUARY 05, 2026

CFA-3563

CONCEPT DESIGN SUBMISSION PRESENTATION

PERKINS EASTMAN DC
DESIGNING THE DISTRICT

GCS||**SIGAL**

AGENDA

- Design Principles
- Site Design
- Floor Plans
- Exteriors
 - Feedback
 - Preferred Façade Design
 - Gym Updates
 - Elevations

LOCATION

SITE CONTEXT

DESIGN PRINCIPLES

1

Create an Ecosystem of Reading and Exploration

2

Project a Civic Presence in Burrville

3

Create a Well-Daylit School Environment

4

Shape Memorable / Interactive Outdoor Spaces

5

Create Classroom 'Neighborhoods'

6

Design to the Scale of the Child

7

Design the Building to Support the Community

8

Celebrate Burrville's Heritage

9

Create Spaces to Gather and Connect

10

Achieve Net Positive Education

reading &
Exploration

RELATIONSHIP WITH THE CONTEXT

FRONT & SERVICE

- The site establishes its front along Division Avenue, creating a strong public presence and primary access for the school.

STREET VIEWS

- These corners serve as important points of arrival and anchor the frontage to project a welcoming identity.

CIVIC PRESENCE

- The school will establish a clear civic presence along Division Avenue & relate to the neighborhood scale of two story buildings along James Place & Hayes Street.

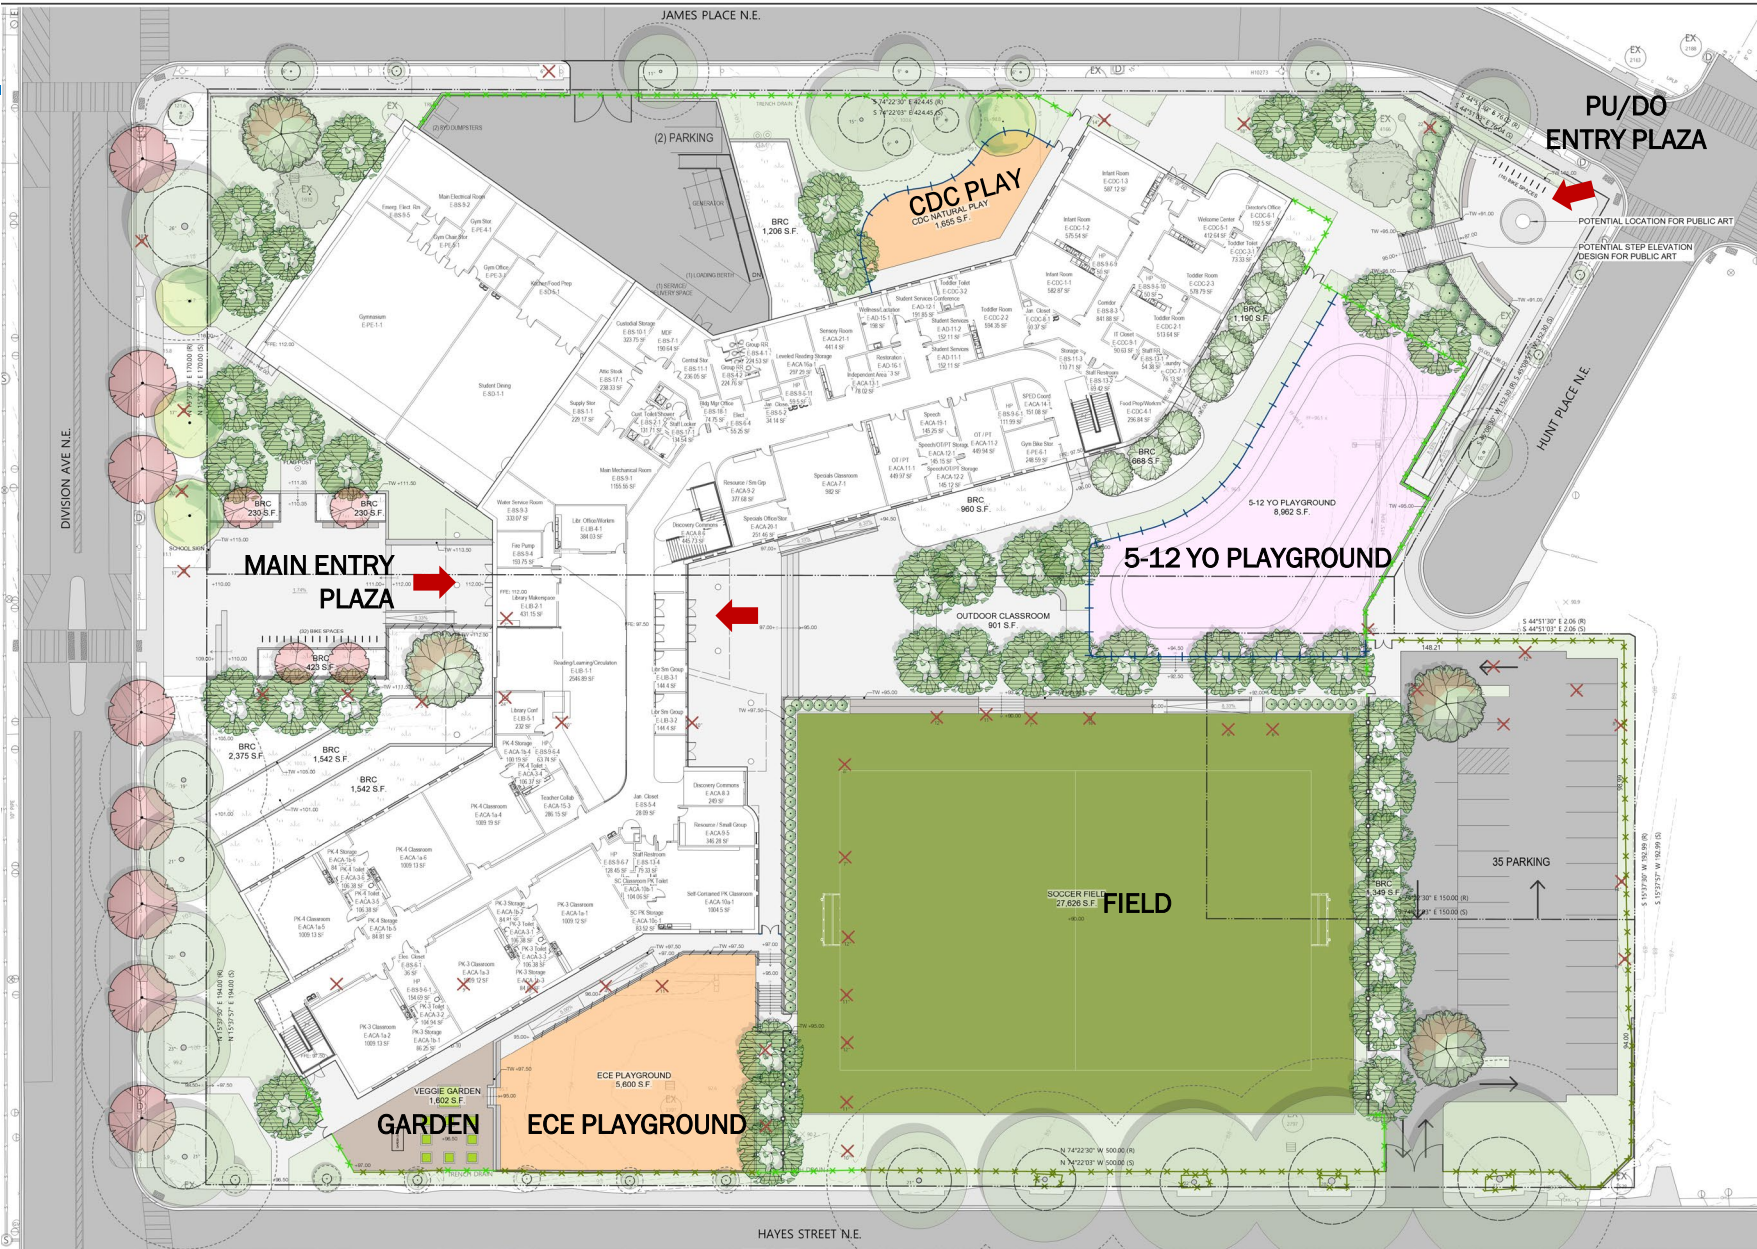

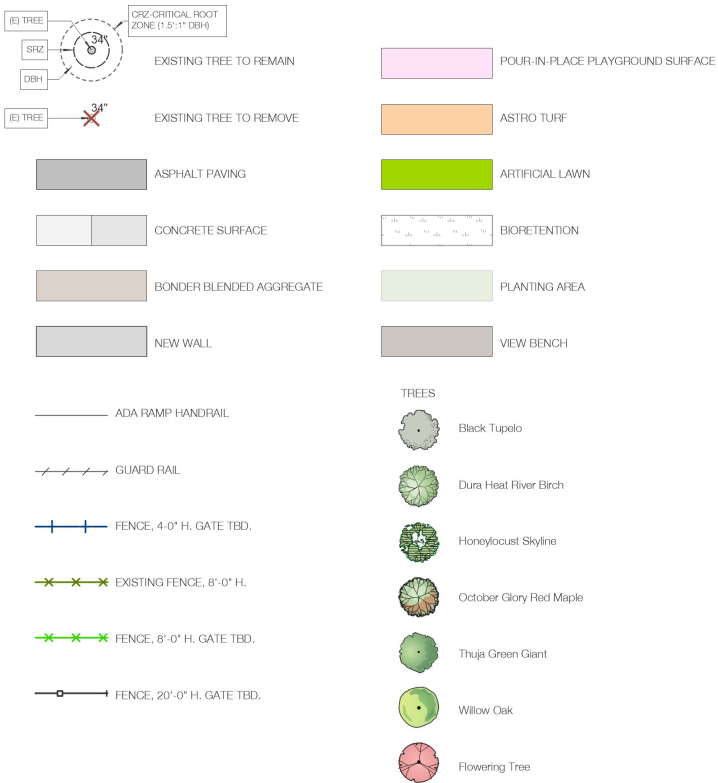

SELECTED CONCEPT

PRIORITY CRITERIA USED TO CHOOSE THE PREFERRED CONCEPT

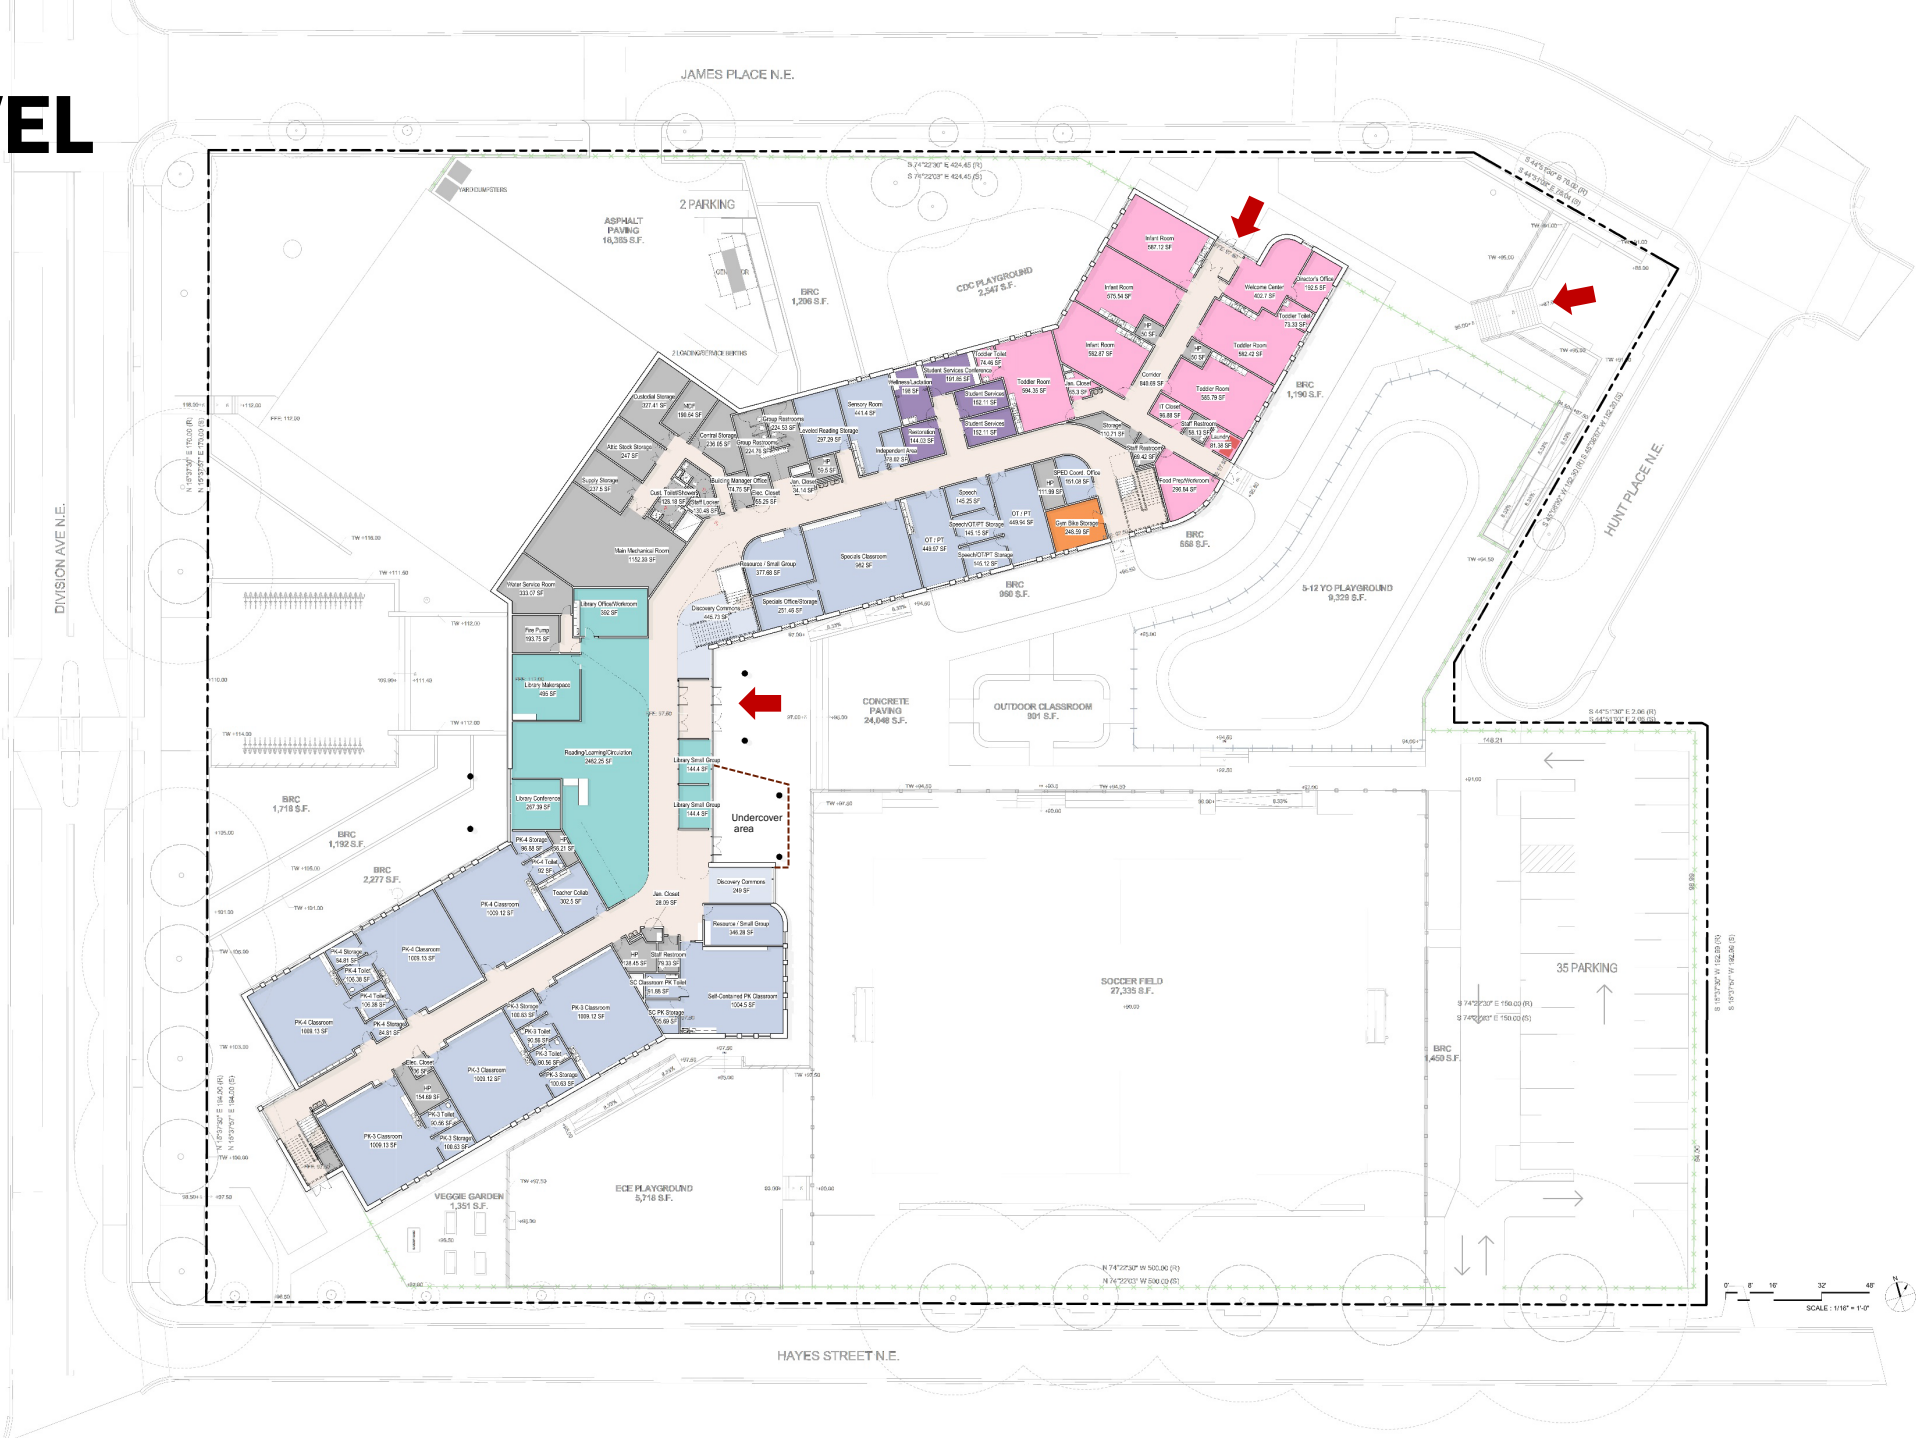

- Civic presence along Division Ave
- Library, gym, and dining accessible in an after-hours zone
- Loading and adjacent kitchen located off James like existing condition
- Protected pick-up/drop-off and exterior student play spaces
- Opportunity for undercover space
