

1317 Wisconsin Ave NW:

This photograph provided by the landlord, shows the storefront with the original French Doors.

The French doors were later removed by a tenant who occupied the space prior to Spicewalla. The Landlord restored the storefront to its original configuration and added the french doors back into place before Spicewalla moved into the space. Spicewalla has not made any modifications to store front doors or windows.

Timing:

- Random Harvest (Beth Aberg) occupied the space prior to Spicewalla starting in December 1999 - May 2026.
- The initial removal of the doors would have happened just prior to December 1999.
- Spicewalla is the current occupant whose lease began in July 2026.
- The restoration of the original french doors happened between tenancy lease dates.
